INTRODUCTION

I am very interested in applying for a graphic design position. I believe designers serve a critical role as communicators. Graphics, Print Media, Music and Photography are my passion. I am just entering the field and would work very hard at my craft. This position would give me the opportunity to continue my degree in graphic design at the *Art Institute of Houston*. I would also have the support of professionals in graphics design when needed.

In conclusion, thank you for the opportunity to apply for the position.

TECHNICAL AND SOFTWARE SKILLS

I am proficient with the following;

- Mac and PC Operating Systems
- Adobe CS4&5 in Mac and PC (InDesign, Photoshop, Illustrator, Dreamweaver, Acrobat Professional)
- Microsoft Office Suite (Word, PowerPoint, Excel)
- Basic HTML coding, photograph retouching, Branding, Typography, Book Binding, Note Cards and Stationary Design.
- Video and Slide Shows that incorporates music.

PROFESSIONAL
EXPERIENCES

Internship: HCC *Coleman College for Health Sciences*
Public Relations Department
(<http://coleman.hccs.edu/portal/site/coleman/>)

Freelance Work:

- designed and placed advertisements for multi-media distribution for Beauty Salon client
- provided original layouts of note card designs for clients using supplied photographs
- develop website banner for non-profit organization using supplied photos and coordinating colors following their master identity guidelines.
- currently developing video for a non-profit suicide prevention group

Samples of my work can be seen on my student website,
